FamilySearch™ Ancestral File v4.19

Source Information

Ancestral File is a collection of genealogical information taken from pedigree charts and family group records submitted to the Family History Department since 1978. The information has not been verified against any official records. Since the information in Ancestral File is contributed, it is the responsibility of those who use the file to verify its accuracy.

More Information

Names and addresses of submitters to Ancestral File and those who have a research interest are provided to

help in the coordination of research. The use of this information for any other purpose, including commercial use, is strictly prohibited.
