Mr. R. Russell joined me as 2nd
 mate Jan last coasting and on
 Foreign going voyages.

An experienced thorough officer of
 sober steady ways, his abilities
 warranted his promotion to Chief mate
 after a short voyage, & he has been
 recommended for command by others
 than myself.

As my vessel is buying up Mr Russell
 is seeking a position elsewhere, and
 I wish him every success, as he has
 given me every satisfaction.

Yours faithfully,

Albert J. Nadel
 Lt. Com. R.N.
