Port Said 24/2/10

Mr R Russell

Dear Sir

I herewith enclose
a letter which has followed the ship
from Antwerp. I also enclose a little
money present (£2-10/-) I had intended
getting something of the type but the
time there was so short that I gave
it up but I trust your better half
will get something useful with it.
You will give my compliments to Mrs
Russell and trust you are both
quite well

I remain
Yours sincerely
J. W. Hammond
