The 4-masted iron bark Åland.

copyrights: [Unknown - onbekend - inconnu](#)[insert new picture](#)**History**[Letzens Jan](#) 15/03/2011

On 20th August 1914, Åland was wrecked near the South Reef, New Caledonia where the lights had been extinguished because of the war, which the crew of the Åland did not know about. The owner Gustaf Erikson, who had bought the ship as Renée Rickmers decided never to rename a purchased ship.
