

S.S. "NEWQUAY"

Port of CARDIFF

October 4th. 19 24.

This is to certify that the Bearer Mr.R.Russell has served on the above named vessel under my command, in the capacity of Chief Officer, from May 28th.1924, to the present date.

During this period he has proved himself a very efficient officer, and is a sober and consciencious man.

I have therefore much pleasure in recommending Mr.Russell to anyone requiring his services, and I wish to mention that the briefness of the service stated above, is solely on account of the vessel changing over to new Owners.
